## SELLER'S LIABILITY

Seller's liability may be established damage is limited to a maximum of 10% of the purchase price. Seller is not liable for the damage which the buyer suffers by the seller delay if the delay is due to an impediment beyond the seller's control, which he could not reasonably have expected or anticipated at the time of the purchase and whose consequences he could not reasonably have avoided or overcome. Seller is not liable for the damage which the buyer is suffering through a product is faulty if there has been an obstacle referred to in the second paragraph to deliver flawless product. For damage by indirect loss is the seller only liable if the damage appears to have basis in the rough negligence of the seller.

## PART DELIVERIES

As candy in some respects is perishables we have made a system to help our customers to always have their promotional candy new and fresh, but still have the advantage of the large quantities lower price. Therefore, it is possible to order the entire annual consumption at one time, but have it delivered in smaller lots. We print packaging for the entire order. If the customer has not taken out the entire order within 12 months, the remaining quantity will be produced and charged to the customer.

Minimum quantity for part deliveries:  
Toffees / sweets 100 kg  
Handling Cost: 25 EUR/ suborders opportunity.

This pricelist replaces our previous pricelist and earlier quotation the we have given. We reserve the right for any printing errors in the catalog / price list and reserve the right to change the prices during the validity of the pricelist without notice.
